RE: C00409672

Reference: July Quarterly Report (4/01/06-6/30/06)

Dear Mr. Lanz:

Per your inquiry of November 6, 2006, regarding the beginning balance of our report, we have corrected the error in our amendment filed 10/13/06. In addition, the appropriate Calendar Year-to-Date totals were properly adjusted per our previous reports and are also reflected in the amended July Quarterly Report that was filed 10/13/06.

Our PAC started using another system between the first quarter and second quarter 2006 reports, which resulted in our oversight of the carry-over transactions. We sincerely apologize for these oversights, have made the appropriate amendments to the reports and greatly appreciate you bringing them to our attention.

Please let me know if you have questions or require additional information.

Respectfully submitted,

Traci Peters
Treasurer
